Races

TUESDAY

Two races attracted attention on the opening day and some excitement developed. The Recorder piloted by Jack Kingsley of Boston won the 2.25 trot in straight heats, while Caruso and Gold Quarts battled in split heats for leaders in the 2.12 pace.

There were eight starters in the 2.25 class. Rubie Jones finished a second in the first, giving the Recorder a good mile, but failed to fifth and eighth places with Marion Earl and Etawah Bay taking the place next to the winner.

The 2.12 pace was a race with Gold Quarts and Caruso favorites for leaders. Caruso was nose out in the first, but cleaned up the field in the second, fourth and fifth.

Sunday School Lesson

(By REV. E. B. FITZWATER, D.D., Dean of Day and Evening Schools, Moody Bible Institute of Chicago.)

Lesson for September 26

REVIEW—EARLY LEADERS OF ISRAEL

GOLDEN TEXT—Let us run with patience the race set before us, looking unto Jesus, the author and finisher of our faith.—Heb. 12:1, 2.

PRIMARY TOPIC—Favorite Stories of the Quarter.

JUNIOR TOPIC—Stories of the Leaders of Israel.

INTERMEDIATE AND SENIOR TOPIC—Striking Incidents of the Quarter.

YOUNG PEOPLE AND ADULT TOPIC—The Main Teachings of the Quarter.

It is strange that the lesson committee should have selected the title "Early Leaders of Israel" when only Moses appears. A better title would have been "Moses, the Leader of Israel." In such a case consideration should be given to Moses' life, character and teaching. Indeed, a good method of review would be to use this plan for the quarter's lessons. Another method of review would be to give a synthetic view of the book of Exodus, since all the lessons of the quarter are taken from that book.

However, for the senior and adult classes the best method will be to recall the principal fact and then state the leading lesson of each Sunday's lesson of the quarter. To aid in this, the following suggestions are given:

Lesson for July 4.

When the time drew nigh for God to deliver His chosen people He caused them to multiply greatly. Envy and alarm incited the new king to institute measures to check Israel's increase. The attempt to carry these measures out not only displayed their futility but brought to be sheltered and nurtured in the king's palace the very one who later upon Pharaoh's throne.

Lesson for July 11.

When Moses was born, his mother perceived that he was a child of destiny. The king's edict was that every male child should be destroyed, but the faith of his mother moved her to hide him. When no longer able to hide him he was preserved in an ark of bulrushes and taken in charge by Pharaoh's daughter. At the suggestion of Miriam, his mother was called as a nurse. He was educated both at his mother's knee and in the Egyptian court.

Lesson for July 18.

While Moses was keeping Jethro's sheep, God appeared to him in a burning bush and commissioned him a deliverer of His people. Moses faltered but God patiently heard and met his difficulties.

Lesson for July 25.

In memory of the great deliverance of Israel from bondage, the passover was instituted. All who were under the blood were saved from the destroying angel.

Lesson for August 1.

God permitted the Israelites to get into straitened circumstances after leaving Egypt, in order to teach them to trust Him and also to lay a snare for the enemy.

Lesson for August 8.

Before going far into the wilderness the people lusted for the fleshpots of Egypt. God answered their murmuring by giving them quails and manna to eat. Christ is the true manna sent down from God to man. Those who eat of his bread shall never die.

Lesson for August 15.

Jethro, seeing Moses completely occupied with the judging of Israel, advised that Moses should be to the people Godward and that all the weightier matters should be cared for by him and that suitable men should be appointed to judge the smaller matters. God's work should be carefully organized so as to relieve his ministers of unnecessary burdens.

Lesson for August 22.

To love God with all the heart, soul, strength and mind is the fulfillment of the first four commandments of the Decalogue.

Lesson for August 29.

Loving our neighbor as we love ourselves is the fulfillment of the last six commandments of the Decalogue. Supreme love to God and love to our fellowman as we love ourselves is the sum total of human duty.

Lesson for September 5.

God through Christ dwells in the midst of His people—just as He did in the midst of Israel in the tabernacle.

Lesson for September 12.

In carrying on of God's work all should offer willingly such gifts as they have.

Lesson for September 19.

Disobedience to God's laws always brings calamities, while obedience to God's law is always accompanied with blessings.

Kimball of the host grange who expressed in words of hearty cordiality the pleasure it gave Round Mountain Grange to entertain the brothers and sisters of Oxford-Pomona and all others who were enabled to be present.

The Worthy Lecturer called on Bro. L. Brooks of Paris Grange to respond, who said he would call upon Brother L. E. McIntire, who in a very happy manner assured the host grange of the unlimited appreciation of the cordial welcome, and hospitably extended the invitation.

Close attention was paid by the listeners to absorb the light thrown on the much mooted question. G. N. Emmons of Elm Dale Fruit Farm, West Paris, took part by asking questions that gave color to the discussion.

Selections by Bear River Grange Orchestra. Reading, "Legend of the Grange," by the chaplain of R. M. Grange, Sister K. Stevens, vocal solo, Mrs. Philip Staley. Mrs. Staley's presence and songs were much appreciated by all.

The Worthy Lecturer introduced the Rev. Hilda Ives, who was the speaker of the day. Her message was broad, but closely interwoven in the lives of all. Sister Ives, one of the most versatile women in the state did not fail to give her hearers mental food to take home and ponder on. A rising vote of thanks was given her.

Brother selection with encore. The Rev. Mr. Wentworth of the United Parish was introduced by the Worthy Lecturer and he cemented his friendship with the patrons by declaring that city parishes have no attractions for him; his desire was to be useful among those who feed the world; he gave an interesting talk. At this period Worthy Master C. P. Saunders was obliged to leave. Brother L. E. McIntire occupied the chair. There were upwards of two hundred and fifty in attendance at the afternoon session, an interesting day from start to finish. Closed in form to meet with Bear Mountain Grange, South Waterford, Oct. 5, when the Commission of Agriculture of New Hampshire will be the speaker.

BRIDGTON

Bridgton Academy Opened With Large Enrollment

Bridgton Academy opened Sept. 14, officially for its one hundred and nineteenth year with one of the largest registrations in the history of the school. The school property is taxed to its utmost and it will be necessary to get outside accommodations to house many of the boys. Students are from all sections of Maine, Massachusetts, and New Hampshire and with several more to come during the week, the school will be filled in a few days. It has been necessary to turn away many students during the past months because accommodations are not sufficient to care for so many. There are several of last year's boys registered, who are working in summer hotels and do not complete their duties for several days.

At chapel, the first morning, there were many more students than formerly for the first day, and it was necessary to put in additional seats. Principal Sampson spoke briefly upon the scholarship for the coming year and what is expected of Bridgton boys and girls. The greater part of the day was given over to the registration of students and the purchase of books.

Two new teachers were added to the faculty this fall: Stuart Edgerly of New Brunswick, N. J., and Miss Harriet French of Auburn, a graduate of Bates in the class of 1917, and who has attended Middlebury and Columbia Summer Schools has come within the next days, Bridgton Academy is sure to have the best team ever turned out at the institution.

Captain John Graham and Paul Graham, two mainstays of last season's, with Woppe Deetjen of Portland, last year's quarter back and drop kicker, were the first to report and get in action. Several other veterans of last season's squad are on hand. Many men, who have had considerable experience on High School teams, reported. Equipment was given out to some thirty-five men, and about ten more to report, makes the largest squad to appear at the opening of school.

DOAN'S PILLS

60c
Stimulant Diuretic to the Kidneys
Foster-Milburn Co., Mfg. Chem., Buffalo, N. Y.

There is a danger of uric acid in the blood due to faulty kidney action. Retention of this toxic material often makes its presence felt by sore, painful joints, a tired, languid feeling and, sometimes, headache and backache. That the kidneys are not functioning right is often shown by scanty or burning passage of secretions. Thousands assist their kidneys at such times by the use of Doan's Pills—a stimulant diuretic. Doan's Pills are recommended by many local people. Ask your neighbor!

How Glasses Preserve One's Youthful Appearance It is often urged that glasses will make the wearer look old, but as a matter of fact, wearing glasses is one of the best preservers of a youthful appearance.

This is because prolonged eyestrain causes wrinkles and "crow's feet" to appear prematurely and give the countenance a strained, tired, drawn, cross look, which is far more to be avoided from a point of view of appearance, than from any real or fancied disfigurement caused by glasses.

We use particular care in fitting glasses and in the selection of mountings most becoming to each person's individual style of beauty.

Welchville Fair

The Community Fair at Welchville Called a Good Sized Crowd—Exhibits and Pulling.

The attendance at the Welchville Community Fair, which was held Saturday, was thought to be even greater than last year. The attendance at the fair dinner which was served at the hall was also very large, as many who were on their way to the baseball tournament at Oxford, stopped for a lunch. Booths and side shows were well patronized.

The horse pulling was easily the attraction and was a good exhibition of horsemanship on the part of the drivers. The purse for the pulling event was 50 bushels of oats, 20 bushels first prize; 15 second; 10 third, five fourth. The weight was two pounds of oats to one of horse. This is the result:

Bert Wood, Norway, weight of horses 2800, pulled the load 70 feet for first place. A. B. Grover, weight 2490, went 63 feet, 5 inches. A. L. Chaplin, weight 2860, 57 feet 7 inches. A. B. Grover, second team, weight 2630, 49 feet, 7 inches. B. L. Thomas, East Oxford, weight 2780, 4 feet 1 inch. P. G. Wilson, Mechanic Falls, weight 2010, 3 feet 1.2 inches. The officials were W. E. A tea set was shown by Mrs. George Wilder over 100 years old; old spreads and quilts and an old trunk that came from England a hundred years ago.

A lead bullet carrier that Mr. Barrett's father carried in the Revolutionary War. Roy Edwards showed two ancient rugs. Another old rug was shown by George Lewis Stephens.

The new books they can read, three or four a week, that is all that is necessary but it takes somebody's time, or more than one, to tend the letting of the books and she has to be kept warm and comfortable and she has to have light to see, all of which will cost more than when in a small upstairs room as formerly, therefore there is yet something for all to do to help keep our library running.

The bonfire was on the farther edge of the athletic field and was composed of old material taken there last year from Main and Railroad streets. It covered a space some 25 or 30 feet square and was some bonfire. A line of hose was laid out to a nearby space in case it should be needed. On the evening of Thursday night following a banquet was given there in I. O. O. F. Hall, when about 60 guests were entertained and about a hundred dollars' worth of supper. Speeches were made by Donald Partridge, Norway; Principal D. Fuller and J. H. Neal, South Paris; D. H. Field, H. H. Gammon and several of the ball team. A dance followed in the Grange Hall.
